

**Directions to  
19754 E. Euclid dr.**

**If you have questions, please call us at 303-617-0813.**

**I would consider four main routes:**

**(1) a. I-70 East to E-470.... South on E-470 to Smokey Hill (9.8 miles).... Smokey Hill to Liverpool (1.8 miles).... Liverpool to Arapahoe road (.8 miles).... and Arapahoe Road West to East Euclid Drive (1 mile). The office is located north of Arapahoe Road in the Piney Creek Ranches Subdivision. After you make a right turn onto E. Euclid, it is four tenths of a mile (.4) to the home office. The house sits on the corner of Fundy Ct. and E. Euclid Dr. It is a white house trimmed in brown. When you reach the house, turn right into the drive way and make an immediate left and follow the asphalt driveway to the parking area. From there take the sidewalk to the office and come on in.**

**When you travel E-470, you will find a manned toll booth about 2 way between the junction of I-70 and Smokey Hill. The cost is \$2.00 each way. There are no additional tolls after that one.**

**(2) b. An alternate route would be I-70 to I-225 to Parker Road.... Parker Road South to Arapahoe Road (5.3 miles)....turn left (east) on Arapahoe Rd.... Follow to East Euclid Drive (2.0 miles) and turn left and proceed as outlined above.**

**(3) c. The third alternative would be I-25 south to Arapahoe Road and follow to East Euclid Drive.**

**(4) d. For those individuals that come C-470, follow to either Gartrell or Smokey Hill. If you get off on Smokey Hill, then proceed as explained in item a. If you get off on Gartrell, which is the exit before Smokey Hill, just follow it to Arapahoe Road (1 mile)....turn left on Arapahoe Road going west....cross Liverpool and proceed to East Euclid Drive.**

**For those individuals that have an evening appointment, you will not be able to miss the house. The fence line in front of the house is lighted in white lights as is the entrance. You will find the driveway to the parking area is also lighted.**
